#### RESPONSE TO RESTRICTION REQUIREMENT

MS Amendment Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed October 2, 2007, Applicants respectfully request reconsideration of the Restriction Requirement. In particular, it is believed that multiple groups can be searched and examined together without undue burden. Additionally, considerable time and expense will be saved if all clams can be considered at this time, rather than pursuing multiple divisional applications.

To provide a complete response, Applicants elect Group I which includes claims 1-17, as that Group is defined in the Office Action.

Applicants further elects SEQ ID NO:3.
